

Garen Gilmore Vice President

Garen Gilmore has been involved in the plumbing, gas fitting and the mechanical industry his whole life. Garen started out working in the family business at a young age. After fulfillment of his apprenticeship and Journeyman obligations, he went on to become a Master Plumber, Master Mechanical and Master Gas-fitter. He also holds a Universal EPA License. Garen became Vice President of All Klear Plumbing, Heating and Cooling, Inc. Currently he is involved making daily operational decisions including manpower, scheduling and estimating. Garen visits job sites on a regular basis to ensure high quality of work is performed and that our customers are happy from the beginning to the end of the job.

Education

Garen is a graduate of Greenwood Laboratory School in Springfield, Mo. After High School, he attended Missouri State University and studied business. He has also attended various programs such as Dale Carnegie Course, Ultimate Technical Academy Heating and Electrical courses, Milbank Generator Technician Training, Gastite Certified Installer, Wardflex Certified Installer, Ruud tankless water heater certified installer, Noritz tankless water heater certified installer, and Rinnai tankless water heater certified installer.
